

Hello friends!

Here is a brief update on three topics.

Queen & Woodbine

Everyone is still waiting for the 'Shell' site OMB decision, in the meantime we are already preparing for the '200 Woodbine' OMB hearing (north west corner of Queen and Woodbine) in February.

Your incredible support and interest show a community that cares about Queen Street. The law firm of Wood Bull LLP is again supporting us on a pro-bono basis: please help them with expert witness support to make a strong case.

Please make your donation at gbna-toronto.com.

Lawn signs

For those who supported a GBNA lawn sign, it is a good time to remove the signs now as we enter the snow season. You can help with self-disposal: the plastic sign material can be put in the blue recycle bin, the metal post folded and placed in the grey bin.

Should you wish assistance, please email us at info@gbna-toronto.com

Ontario Planning Consultations

The Province is inviting public comments on its Land use Planning and Appeal policies, with a public hearing in Toronto on December 9. GBNA has a number of concerns and will present its views and recommendations. ([Info here](#))

Enjoy the change in seasons, thank you for your continued support!

Jan Hykamp, on behalf of all of GBNA
